

Quartz Calacatta Borghini

Quartz Calacatta Borghini from Kore Quartz's Stone Basyx collection is a stunning engineered stone that beautifully mimics the luxurious appearance of natural Calacatta marble. This quartz slab features a pristine white background adorned with elegant veining in shades of warm gray and soft gold-en-brown. The veins create a dynamic, organic pattern across the surface

Stone Type	Quartz
Finish / Color	Polished / Black, Gold, White
Origin Country	Malaysia

Quartz Calacatta Borghini

This interplay of colors and textures lends the material a sophisticated, yet natural aesthetic that would elevate any interior space. The slab's polished finish enhances the depth and luminosity of the design, making it an ideal choice for those seeking the timeless beauty of marble with the durability and low maintenance benefits of quartz.
